
TOROMONT CAT WINNIPEG BRANCH

COMBINED SALES, SERVICE AND PARTS DISTRIBUTION

140 INKSBROOK DRIVE
WINNIPEG, MANITOBA

The Toromont CAT Winnipeg Branch consists of three pre-engineered steel structures:

A 700 square foot Gate House that controls access to the site.

A 9,500 square foot Utility Building contains the specialty bays (EPG and engine test cells, dyno test, wash, welding, storage and paint bays).

A 50,000 square foot Main Building consists of a Warehouse and Loading Dock, a Showroom and Sales Office, a Tractor Shop, Service Office and Truck Shop.
