# RELOCATION ASR-8 RADAR TOWER

## SOUTHPORT AEROSPACE CENTRE SOUTHPORT, MANITOBA

CLIENT: We constructed a concrete foundation;  
SOUTHPORT relocated and reinforced the tower, com-  
AREOSPACE munication and power cables; and built a  
CENTRE INC. tower equipment building. There was also  
miscellaneous work for Pelorus Naviga-  
tional System Inc., including the foundation  
for detector and antenna.
