

## Giant Tiger – Winnipeg and Steinbach

Ernst Hansch Construction provided design and construction services to complete The North West Company's new 24,000 ft<sup>2</sup> Giant Tiger store in Winnipeg and the new 16,000 ft<sup>2</sup> Giant Tiger located in Steinbach, Manitoba while continuing to provide services for the evaluation of future store locations, on-going maintenance and building improvements.

Giant Tiger stores include strong brand identity finishes and the infrastructure to support their operations including refrigeration, plumbing and filtration systems, data and security wiring. Ernst Hansch Construction has been successful in its ability to fulfill these requirements while meeting a design and construction schedule that ensures stores are completed and operational as planned.
